

DEFINE: POTENTIAL

Enhancing Your Leadership

Enhancing your Leadership is a 2-day program aimed to support experienced EL1 staff to consolidate their expertise and prepare for the next step in their career.

You will engage in an interactive workshop that includes personal reflection, dynamic group discussion, and exploration activities. Post-program, you will receive an executive coaching session to transform your learning into action.

Through this course you will explore:

- Building leadership awareness.
- Identifying your leadership purpose.
- Leading with courage and authenticity
- Leading in a complex environment.
 - Adaptive leadership.
 - Strategic decision making.
 - Coaching for collaboration.
- Managing difficult conversations.
 - Inspiring others.

“The program reminded me of certain elements that I need to continue to do...highlighted areas I need to strengthen and improve on. It also highlighted for me issues I need to work through.”
